We are excited to welcome Dr. Debbie Eisenhut as our guest speaker to kick off our year-long 150th Anniversary Celebration! Debbie was born and raised in the Salem area. After almost 20 years of practicing general surgery in Salem, Oregon she went to the mission field. She has served in Pakistan, Liberia and now Cameroon seeing a major flood, the Ebola crisis and the beginnings of a civil war. In Cameroon she served in a surgical residency program training young African doctors to be Christian surgeons. She is currently in Oregon to help her elderly mother but hopes to return to Cameroon one day.
